Major Issues & Resolutions

Reminder: Email Campaign

Palco and Conduent are working together to ensure all current employees, participants, and employers of record (EOR) have accurate information on file.

One critical piece of information is your e-mail address. Your **e-mail address** will be used for:

- Communication / notification from Palco or Conduent
- Personal login ID for Palco Connect system

Your e-mail address will also be used for any notifications that are sent regarding timesheets or general program communications. **These e-mail notifications will help you ensure timesheets are correct and payments will be on time.**

Each person (user) **is required to have their own unique login ID** for the Palco CONNECT system. For example, an employee and an employer **cannot share the same** e-mail address.

EORs and Employees

If you are an employee or an employer (EOR) and you are not sure if your correct e-mail address is in the FOCoS system, please contact the Consolidated Customer Service Center (CCSC) at 800-283-4465 to update your e-mail address by phone. You may also update your email address by emailing a [Change of Information form](#) to Conduent at docprocessing@conduent.com.

Impacts of not having a valid email on file:

- Employees will not be able to enter their timesheet.
- EOR will not be able to approve the timesheets.
- Employees or EOR will not be able to make any corrections (manually add/edit shifts, review/approve EVV time, etc.).

Please keep in mind that if you have more than one e-mail address listed in FOCoS, you must choose one (you can call CCSC or e-mail Conduent to update the information).

If you have recently updated your email or other demographic information, please disregard. Thank you for updating your information timely.

Training News

Are You Ready for Palco Phase II Go Live?

The transition from FOCOnline to Palco Connect is being delayed past the original 5/21/22 go-live. With recent wildfires impacting participants, employees, and provider agencies, the state is postponing the Phase II Go Live to ensure that all members of our waiver system are ready for the changes in Phase II.

The data transition moratorium has been lifted at this time. Participants and consultants can RESUME submission of SSPs/ISPs and budgets in the FOCos online system for initial and revision budgets.

To make sure you're ready for this transition, you should continue to prepare by:

- ✓ Review a Participant/Employer training hosted by Palco
- ✓ Make sure your Worker(s) review a training hosted by Palco
- ✓ Visit www.PalcoFirst.com/New-Mexico to find helpful training resources including recorded training sessions, the Palco Connect user guide, the AuthentiCare mobile app user guide

We have recently posted trainings for self-directing Employers and Workers on our Palco you tube page that allow the individual viewing the trainings to turn on the Closed Caption feature.

Self-directing Employers can access these resources at the following links:

- New Mexico Employer Connect/EVV Training – English (3/22) - <https://www.youtube.com/watch?v=R7c3P956auU>

Self-directing Workers can access these resources at the following links:

As part of Phase 2 of this project, we will:

- Transition from FOCOnline to the Palco web portal
- Offer an online enrollment option using Palco Intake to enroll new members, employees, and Employers of Record
- Offer an online resource, Palco Connect, for electronic timesheet review and approval for Employers and Workers
- Offer an online administrative resource, Palco Case Management Portal, for professional users like State staff, MCO staff, Utilization Reviewers, Care Coordinators, Support Brokers, and CCSC
- Offer an Electronic Visit Verification (EVV) solution for SDCB Vendor Agency Providers called AuthentiCare

Critical Updates

Electronic Visit Verification for Personal Care and Respite Services

The Centers for Medicare and Medicaid Services, in compliance with the 21st Century Cures Act, require all states to use Electronic Visit Verification (EVV) for Personal Care (PCS) and Respite Services. EVV data is collected using the Fiserv/AuthentiCare system. Unless the EOR has an approved electronic timesheet exception, all SDCB PCS and respite employees should be using the EVV system and the EOR should be approving time AuthentiCare.
