Critical Updates

Paid Sick Leave

On July 1, 2022, the Healthy Workplaces Act of 2021 went into effect in the State of New Mexico. The Healthy Workplaces Act is a law which requires all private employers in New Mexico to allow employees to accrue and use a benefit called earned sick leave. Employees may use this paid leave for various reasons, including illness or injury of the employee or their qualifying family member, and to deal with certain legal and family issues.

In general, employees can earn one hour of sick leave for every 30 hours worked. Employees will accrue leave and may use up to 64 hours per year. In addition, employees may carry leave balances from year to year. Employees should speak to their employers to determine the process to request and use this leave. Electronic Visit Verification for Personal Care and Respite Services

The Centers for Medicare and Medicaid Services, in compliance with the 21st Century Cures Act, require all states to use Electronic Visit Verification (EVV) for Personal Care (PCS) and Respite Services. EVV data is collected using the Fiserv/AuthentiCare system. Unless the EOR has an approved electronic timesheet exception, all SDCB PCS and respite employees should be using the EVV system and the EOR should be approving time AuthentiCare.

Are You Ready for Palco Phase II Go Live?

The transition from FOCOnline to Palco Connect is being delayed past the original projected go-live date. With recent wildfires and flooding impacting participants, employees, and provider agencies, the state is postponing the Phase II Go Live to ensure that all Self-Directed Community Benefit (SDCB) members are ready for the changes in Phase II.

The data transition moratorium has been lifted at this time. Members and Support Brokers should continue to submit budgets in the FOCOS online system for initial and revision budgets.

To make sure you're ready for this transition, you should continue to prepare by:

- ✓ Review a Participant/Employer training hosted by Palco
- ✓ Make sure your Worker(s) review a training hosted by Palco
- ✓ Visit www.PalcoFirst.com/New-Mexico to find helpful training resources including recorded training sessions, the Palco Connect user guide, the AuthentiCare mobile app user guide
