### **Critical Updates**

# **EVV Compliance / Compliance with Cures Act**

Per the 21st Century Cures Act Federal Legislation, New Mexico was required to implement Electronic Visit Verification (EVV) by January 1, 2021. Approximately 60% of Self-Directed Community Benefit (SDCB) members are using EVV, but many others are not yet using the AuthentiCare system to clock-in and out for SDCB Personal Care (PCS) and Respite services. Caregivers for PCS and Respite are required to use AuthentiCare to record their time worked unless the employer of record (EOR) has an electronic timesheet exception. If you have questions about how to use AuthentiCare, the EVV system, please work with your Support Broker and Care Coordinator.

#### **EOR Transition Packets**

We identified individuals who have not submitted a completed EOR Transition Packet. Conduent has sent EOR Transition packets to those employers. Be on the lookout for that packet and please complete and submit it by 9/17/21.

By completing this EOR Transition Packet, you are authorizing Palco to be the fiscal/employer agent. This means that Palco will make sure all employer paperwork and taxes are submitted on your behalf to the Internal Revenue Service (IRS) as well as the NM Taxation and Revenue Department and the NM Department of Workforce Solutions.

After you have completed (and signed) all forms in the packet, please return the packet to Conduent via:
